Scholarship Application

A scholarship in the amount of \$3,000 will be available to any Harwich student starting or continuing his/her college education at an accredited four-year school. The applicant must be furthering his/her education in the areas of botany, horticulture, environmental science, or other related fields such as landscape design, conservation, forestry, water purification, oceanography, marine biology. The scholarship will be awarded after the student's successful completion of one year at this accredited four-year college.

Please complete this form and return it to your high school guidance counselor or Garden Club chairperson listed at end of this application.
